

## How to Sign-up your child(ren) for JBC on the app

1. If you already have a Warrior MY app account, go to **My Profile** and scroll all the way down and select the **Add Kid** button.

Complete the form accordingly and select **CREATE ACCOUNT FOR CHILD**. Go back to **Add Kid**, should you wish you register another account. Select **UPDATE** when you are done.

2. If you do not have a Warrior MY app, create one for yourself. Do the following.

### How to install the app?

Go to the App Store or Google play and search for 'Warrior MY' and install the app on your mobile device. Launch the app and create a new account by selecting the **SIGN UP** button. Add a clear photo of yourself (no avatar images please) or take a selfie. Please use a valid local mobile number and add a password. Fill in all the necessary information correctly, as required. A Verification Code will be sent to your phone. If you think you fail to get one, check your phone Messages; it could likely be there. Key in the code and press **Verify**. Log into using the telephone number and password you have created. Should you forget your password, an email will be sent to you with your password. **A free token will then be credited to your membership**. Child(ren) under 14 years should be registered under a parent. Please enable Push Notifications on your device so that you may receive urgent announcements like a change of location or session cancellations.

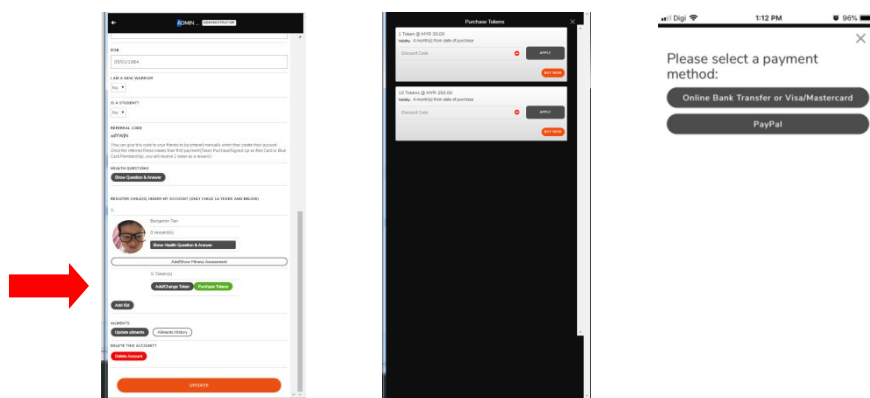

**Can I use my existing website log in and password?** No. Kindly create a new account on the app.

Once you have your Warrior MY app account, follow Step 1 above.

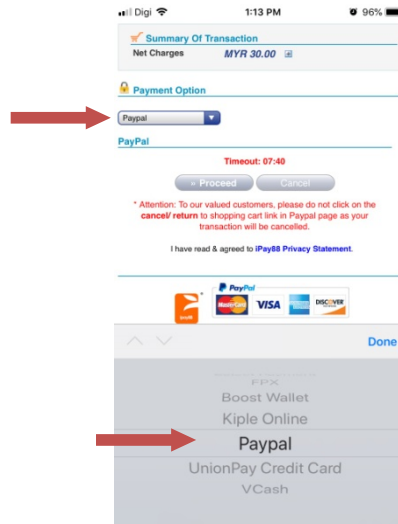

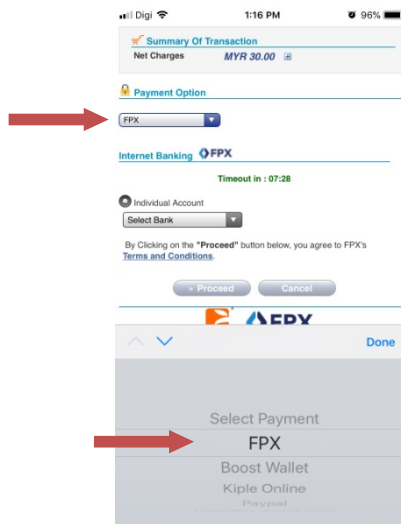

3. If you have already created a main Warrior MY app under your child's name, please make the necessary amendments to reflect your own details. It is preferred if the JBC coaches can associate the child(ren) to the parent. Then add your child(ren) under **Add Kid**. Purchase of JBC tokens (with a 4-month expiration date) can only be made under your child(ren)'s account and not under the main account.

## How to make payment on the app for JBC tokens

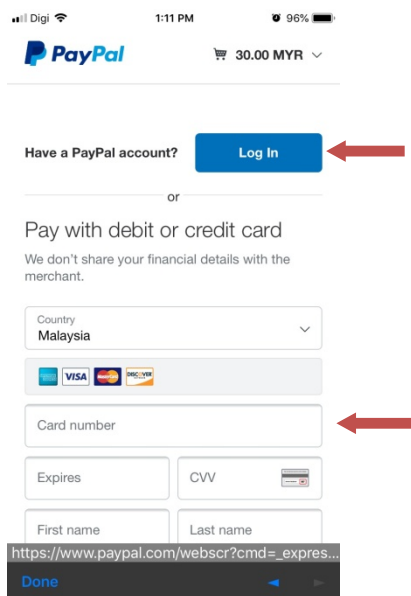

1. Go to your child's profile and select Purchase Token. Select the preferred purchase plan and select **Online Bank Transfer or Visa/Mastercard**. You will be redirected to the ipay88 site.

- If you are paying by Bank Transfer, select **FPX** as your payment option and choose the bank you wish to pay from. You will be directed to your bank's secure site. Proceed accordingly.

- If you are paying by Credit Cards, Debit Cards and PayPal, select **PayPal** as your payment option and click the **Proceed** button. You will be directed to the PayPal page.
- If you have a PayPal account, click the **Log In** button and proceed accordingly. If you do not have a PayPal account and wish to pay by Debit or Credit card, type in your card details and proceed accordingly.
